APPLICATION for Partnership

Partnership at St James. The Lord Jesus Christ Himself established the Church and calls His people into its fellowship. By joining the Church, members visibly place themselves under the Lordship of Jesus Christ and the leadership of the congregation.

Our Partnership classes, in which prospective members can learn more about the Church and how to become involved in service, are held twice a year.

The partnership course will cover the following areas:

- ✝ The nature of church and the importance of being a ministry partner in a local church.
- ✝ Our basic beliefs, core values and mission.
- ✝ The privileges and responsibilities of church partnership.

It is our policy to ask those interested in partnership to first attend regularly for 6 months before applying, so that their decision is based on a fair knowledge of the Church's doctrine and practice. Thank you for your commitment to St James Church and your interest in becoming a ministry partner. Please could you complete this form giving us your contact details and a brief Personal Testimony and return it to either the Church office, the Information Desk or scan and email through to sharon@stjames.org.za

We meet in the Chapel or Coffee Shop and the times of the meetings will be as follows:

Friday: 7pm—9pm
Saturday : 9am—11.30am
